

Kindergarten Week of October 9, 2017

We are on our way to great reading adventures! The students have begun to bring home their Pre-decodable books. We are also learning our high frequency words in class. Remember to practice reading your pre-decodables nightly and bring them back to school.

In Math we will be writing up to 70 and continuing to work on number recognition to 100. We will also be working on all kinds of exciting things like ordinal numbers to 10, counting both forward and backward, and making patterns.

Fall Festival is coming up on Saturday, October 28th. Parade line up will begin at 10:45 on the preschool playground. Parents will then go take their place along the parade viewing route to cheer us on. Students will be picked up following the parade on the soccer field. Please remember to bring a change of clothes for your child so that he/she can enjoy the rest of the festivities. Food order forms for Fall Fest will be going home and basket raffle tickets and "Gus Bucks" will be on sale starting next week (food will also be available for purchase at the event). For those of you who are new to the Fall Festival, no cash is accepted at the event. You instead, purchase "Gus Bucks". I strongly urge you to purchase these ahead of time, that way you don't get stuck in a long line the day of the festival. Raffle basket tickets will also be available during the festival. Tickets are \$5 each and all of the money raised from the basket raffle goes back into our classrooms. That's a big WOW!

Please don't forget that donations for our class basket. "A Family Night Out", are due by October 23th. We are still in need of many donations. The suggestion sheet is posted outside of our classroom door.

There are lots of fun activities coming up throughout the month, so be sure to add these dates to your calendar! 😊 Also, parent/ teacher conferences will be coming up soon. A sign-up sheet will be posted outside the Kindergarten door.
