

Mrs. Richard's Fantastic First Grade

Thank you to everyone who joined us for Open House yesterday. I really enjoyed talking with each and every one of you. I hope you enjoyed seeing what your child has accomplished so far. We are all so proud of them. Every student is doing such a great job. Keep up the good work!

Harvestmoon Farm is fast approaching. There was a misprint in on the school calendar regarding the field trip. Just to clarify the field trip is scheduled for Friday, October 13th. We will leave school by bus at 9:15. Please pack your child a lunch with an extra water bottle for our ride back to school. If you would like to chaperone please fill out the paperwork that was sent home and return it to school.

Our Fall Festival basket is themed "Outdoor Fun". It is coming along beautifully! We have had a few awesome donations and are still in need of a few more. Remember, if you're short on time, you are always welcome to make a monetary donation for our Room Parents to put toward some other essential items.

Scripts will be coming home next week for our upcoming Thanksgiving play. Although we will be practicing quite a bit in class, I encourage you to work with your children at home, too, to assure they have memorized their lines. Wait until you see how adorable these little Pilgrims and Indians will look!

We are working on our Science Unit on Animals. The students will have a test on Thursday, October 12th. A study guide and their science journals will come home Tuesday night to help them prepare and study.

Our Spelling test will be on Thursday, October 12th due to the field trip to Harvestmoon Farm on Friday.

Upcoming Dates to Remember:

- | | |
|----------------------------|------------------------------------|
| ✓ October 9 th | Columbus Day - No School |
