

Mrs. Lees' Spectacular Second Grade

December 4-8, 2017

Can you believe Christmas is just around the corner? The kiddos have been staying busy and working really hard to get to where they are now. Lately, we have been busy writing the Daughters of the American Revolution essays. We just finished the final drafts and have sent them away for the contest.

Stop in to the front office to pick a child from the Abba Farms Giving Tree. Many children need gifts for Christmas and we would greatly appreciate it if you could donate a gift. The giving tree will be around until December 15th.
