

Ms. Mary's PreK I News

December 4th- December 8th

mmascio@genesiselementary.com

The children did a fantastic job on ONN news, I am so proud of them 😊. This week we will be learning about the letter "L" and coming up with as many words as we can that start with it. We will also be working on patterning up to the number 11. We will be graphing on how many of us like red and green candy canes, and what they taste like? The Tampa Bay Bats came and did a bat presentation for us. Ask your child what he or she saw and what they learned?

Reminders:

Please remember that all Library books are due back on the Monday your child returns to school. Thank you 😊

On Saturday Dec. 9th there is a downtown Christmas parade if anyone is interested.

Thank you for all those who could make it to watch us ONN
