Thursday	Class Quilt Math: counting and arranging the blocks for the quilt
Friday	Science: quil writing

Announcements:

Our pirate day was a great success !!

All of our little mateys were dressed and ready for the adventure of a lifetime. Their spy glasses, treasure maps, and getting over the plank took them on their way to the treasure chest!! And what an appetite did they have for those delicious pancakes!!

Valentines party Wednesday, Feb. 14

Please bring 17 valentines for our friends. It is not necessary to address the valentines. We ask for signatures only. There is a sign-up sheet on the entrance door of our classroom for party donations. Thank-you in advance.
