Thursday	<u>Library</u> : Find "S" Books
Friday	National Read A Book Day Dr. Seuss' Birthday Shown n' Tell

Announcements:

We would like to thank our Genesis family for your participation in our annual George Washington Day celebration and presentation! The children had so much fun dressing up in their bonnets and tricorne hats, and they had a blast trying their hands at our colonial games! Our tummies were treated to delicious cherry and apple pie, and our appetites for learning were sated by the spectacular historical presentations of our Elementary students!

In honor of Dr. Seuss' birthday, "S" week, and National Read A Book Day; we will read many of Theodor Seuss Geisel's most treasured stories this week! If one of his stories has a special place in your heart, please bring it in so that we may share it with the class. Thank you!
