

Kindergarten Week of April 9, 2018

This week is an important one here at Genesis, as all of our Elementary Students gear up for the SAT's on Tuesday, Wednesday and Thursday. Students **must** be at school by **8:45 a.m.** I do not like to put pressure on my students about the SAT at all. The only thing the students need to do is their very best and they do that for me every day, so I have no doubt that everyone will do a fantastic job! Please be sure your child eats a good breakfast each morning, has a good night sleep, and that you send in a nutritious snack each day. Also, you may want to send in a lightweight jacket for your children in case the room feels cool. I think the most exciting part about SAT week for the students, as well as the parents, is that there is **NO HOMEWORK ALL WEEK EXCEPT READING!** Woo-hoo! J

We will return to our regular afternoon schedule to do some Math, Social Studies, and Science. After the SAT's are completed on Thursday, we will have some "fun time" to celebrate all of the student's hard work. If you have not conferenced with me yet it is a mandatory meeting to discuss your child; please make an appointment.

Thank You,
Ms. A and Ms. Spier

Coming Up...

Monday, April 9th-12th

Tuesday April 17th

SAT Testing

Cracker Country Field Trip

Homework: *Homework is subject to change.*

Monday	Tuesday	Wednesday	Thursday	Friday
Read for 15	Read for 15	Read for 15	Read for 15
