

Mrs. Fonnotto's 5th Grade
The week of April 9, 2018

The Stanford 10 Achievement Tests will be administered this week on Tuesday, Wednesday, and Thursday. There will be no homework this week, except to read for at least 20 minutes each night. Reading logs will be sent home as usual on Monday. It is recommended that each child get plenty of rest and eat a healthy breakfast, so that he or she can do his or her best! It is very important that each student be in the classroom each day by **8:45 AM**, so that he or she can prepare for testing and be as relaxed as possible. If your child arrives after 9:00 AM, he or she will have to remain in the office until there is a break in testing. I ask that each student bring in a lightweight jacket, a healthy morning snack, a book to read, and a bottle of water to class for each day of testing. We will be testing in the morning. After lunch, we will be working on the research for our research paper. If you have any questions, please let me know.
