

Mrs. Richard's Fantastic First Grade

Thank you to all of you for making SAT week very successful! I could tell that the students were well-rested and ready to show their stuff. I know that our hard work has paid off!

This week we will be back on our "normal" schedule as far as curriculum is concerned. Reading, math and spelling will all be a part of the homework routine once again. I know...the break was nice, huh?!

Our annual end-of-the-year music performance will be coming up before we know it, too. Please help your child to memorize their songs for the performance. If you have any questions about the performance, please contact Mr. Lamkin at blamkin@genesiselementary.com.

If you have any questions or concerns regarding our up-and-coming busy schedule, please stop in or shoot me an email. I hope you all have a wonderful week!
