Bring your "E" item for

### Announcements:

"Open House " is Thursday, October 4<sup>th</sup> from 3:30 -6:00 p.m. Come join us for a fun afternoon of getting acquainted and seeing all of our daily learning experiences and activities !! Thursday October 4<sup>th</sup> is also individual picture day. Dress your best and bring your smile to school!!

Our basket for the " Fall Festival" is starting to make some progress. We could use some gift certificates from local beachy establishments for the adults. If you have any connections, to restaurants, river rides, family adventures it would greatly enhance our basket!!

"Grandparents Day" was just wonderful to see such a great turn out for every child!! We talked the talk and walked the walk of our everyday learning experiences!! Every student shared their knowledge of the alphabet and identified and spelled their names! And it is only September!! We shared all of our jobs and and our classroom manners!

Thank you class and families for such a great day!!!
