Genesis West Preschool

Highlights

Next week our fantastic letter of the week is Ff along with the number 6. We will fabricate the letter F while we face the faculty and we will follow and finish faithfully our fabulous printed letter F's and sixes. Parents, the Genesis Fall Festival Basket Theme for our preschool class is Automotive. Examples of items to donate could be Gift Cards for Automotive stores like Auto Zone, O'Reillys Auto, Advance Auto Parts or gas cards. Items to donate to the basket can range anywhere from car cleaning kits to air fresheners depending on your budget. All donations for this basket are welcomed! We may be small in size but when we work together, we can be mighty! The baskets monies help fund your child's classroom for supplies for projects and learning materials.

- We will have our class Holiday party on Wednesday, October 31st. I will provide a snack and beverage list towards the end of October.

Reading tip of the week...

Tell stories. Tell your child a story you already know – or just make one up! It could be a folk tale, stories about your family, funny stories, or any story you both like.
